

Certificate

This is to certify that

Actigraph L.L.C. dba Ametris

70 North Baylen Street, Suite 400, Pensacola, FL 32502
has been attested to comply with the requirements of

**ISO/IEC 27001:2022 - Information Security, Cybersecurity and
Privacy Protection – Information Security Management Systems
– Requirements**

Scope of Certification

This Information Security Management System applies to Actigraph L.L.C. dba Ametris' (Ametris) management of business operations, data security, and privacy within the digital health platform ecosystem to support Ametris products, services, and data under operational controls in accordance with the Statement of Applicability v2 dated 12/21/2025. The control set(s) referenced in the SOA are used solely to determine the controls relevance of inclusion or exclusion in the ISMS, and not as criteria for conformity assessment.

Director

Ignyte Assurance LLC
5818 Wilmington Pike #220
Centerville OH 45459

This certification is granted based on the organization's compliance with the ISO/IEC 27001:2022 standard and is subject to ongoing surveillance. Ignyte Assurance LLC certifies only the management system; this does not imply certification or endorsement of the organization's products or services. No warranties, express or implied, are provided regarding the performance or suitability of those products or services.
